

POWER/UTILITIES LOSS GUIDE 1

In the event of a power loss or utility failure, notify Airport Operations at 410-859-7018.

- It may be necessary to evacuate the building by stairwell.
- For individuals requiring special assistance who can not evacuate the building on their own, seek shelter in the stairwell until assistance arrives.
- If needed, move to areas of the building with emergency lighting.
- If Smoke/Fire alarm sounds, immediately exit the building.
