

FUEL SPILLS

GUIDE 13

In the event of a fuel spill, regardless of size, immediately contact the CDC at 410-859-7222 or the BWI Airport Operations Center at 410-859-7018.

- Be prepared to report the following:
 - ✓ Time of fuel discharge
 - ✓ Location of fuel discharge
 - ✓ Type of vehicle involved
 - ✓ Type and quantity of fuel discharged

The following agencies must also be called immediately, but no later than two (2) hours after detection of a spill:

- Maryland Department of the Environment (MDE)
at 1-866-633-4686
- National Response Center at 800-424-8802

A spill report must be completed and sent to MDE within 10 working days after the spill and remediation work has been completed.
