

TORNADO GUIDE 3

When a tornado warning has been issued, you may have very little time to prepare.

Employees & tenants should follow these procedures. If a tornado is sighted near the Airport call Airport Operations at 410-859-7018.

SEEK SHELTER IMMEDIATELY

If you are inside a building:

- Close all doors to rooms with exterior windows.
- Stay away from windows.
- Go to the lowest level of the building.
- Use arms to protect head and neck in the “drop and tuck” position.
- Use interior hallways away from building’s exterior windows as a tornado shelter.

If there is no time to get inside:

- Lie in a ditch or low-lying area or crouch near a strong building.
- Be aware of potential for flooding.
- Use arms to protect head and neck in the “drop and tuck” position.
- Use jacket, cap, backpack or any similar items to protect face and eyes.
