

FIRE AND/OR SMOKE GUIDE 7

If you see fire or smoke, immediately activate the nearest pull station. (Pull stations are generally located near stairwells and exits).

Report all fire and/or smoke conditions to the CDC at 410-859-7222.

✓Calmly state:

- Nature and location of fire and/or smoke
- Name and call back number

In the case of a small fire, you may extinguish it with the nearest fire extinguisher. **If you have ANY doubts as to whether or not you are able to contain the fire, do not attempt to do so.**

✓Remember To:

- Fight the fire with an exit to your back.
- Use the proper type of extinguisher.
- Evacuate immediately in accordance with your section's Emergency Evacuation Procedures as outlined in MAA directive for BWI & MTN #105.0.1
