

# TENANT DIRECTIVE

**BWI:** 006.1  
**DATE:** February 6, 2012  
**DISTRIBUTION:** B and C

**TITLE: AIRPORT SWEEPING SCHEDULE**

**I. REFERENCES:**

This Directive supersedes BWI Tenant Directive 006.1, dated January 30, 2007.

**II. PROCEDURES:**

The Maryland Aviation Administration Division of Airfield Grounds and Equipment Maintenance follows a regular sweeping schedule for BWI Marshall's ramps, runways and roadways. The runway sweeping will take place during scheduled runway closures. The dates and times will be pre-scheduled and coordinated with BWI Marshall Airport Operations and the Federal Aviation Administration. Tenants are requested to relocate ground-handling equipment located on ramps during the scheduled periods to facilitate sweeping. Special requests for sweeping, because the tenant failed to relocate equipment prior to the time specified on the scheduled date, will not be honored. Sweeping of ramp sidewalks is the responsibility of individual tenants.
