

# TENANT DIRECTIVE

BWI: 802.1  
Date: September 12, 2006  
Distribution: D

TITLE: FIRE EXTINGUISHER TRAINING

I. REFERENCES:

This Directive supersedes BWI Tenant Directive 802.1 dated August 6, 1986.

II. DIRECTIVE STATEMENT:

- A. The BWI Airport Fire and Rescue Department will, at the request of Airport tenants, conduct fire extinguisher training classes.
- B. Instruction can be arranged according to the work schedules or requirements of participants.
- C. Airport tenants must provide fire extinguisher(s) and be responsible for extinguisher recharge. All other materials necessary for a successful program will be provided by the BWI Airport Fire and Rescue Department.

III. PROCEDURES:

Arrangements can be made by contacting the BWI Airport Fire and Rescue Department Prevention Division at 410-859-7815.
