OBSERVATION GALLERY AT BWI MARSHALL

The opening of the renovated Observation Gallery has been a great success. Its use is up dramatically with travelers, visitors and Airport employees taking advantage of the many amenities, from the great view of the runways, the many unique displays, its ambiance and the new restaurant Sky Azure.

Unfortunately, with this inviting area, several issues have occurred after hours when Sky Azure and the Gallery are closed. We have noticed several inappropriate uses and activities in the Gallery. We ask for your assistance to alert the Landside Operations Center at 410-859-7736 if you see any activities such as anyone sleeping or abusing furniture, art work, displays or the Sky Azure premises.

The Gallery is open from 8:00 a.m. to 9:00 p.m. with Sky Azure's operating hours from 11:00 a.m. to 9:00 p.m. As a reminder, all Airport employees are to refrain from sleeping in the Gallery at any time; or, from using the Sky Azure premises as a meeting place or for personal use unless they are a paying customer.

We do encourage everyone to visit Sky Azure for lunch, dinner or for after work gatherings. The Gallery is also available for pre-approved/scheduled meetings and/or events.
