CONCOURSE D HVAC UPGRADES

On or about November 29, 2021, Towson Mechanical Inc. (TMI) is scheduled to mobilize for the HVAC system upgrades through Concourse D including DX/DY wings. The anticipated duration of construction is 550 calendar days from November 15, 2021 through May 12, 2023. Any interior improvements will be scheduled to be performed during nighttime hours between 9:00 p.m. and 3:00 a.m.

The Tenant Information Advisory is for all tenants in Concourse D. No outages affecting tenants are anticipated. However, specific Tenant Information Advisories will be developed for specific outages and tenant impacts as the project progresses.

If there should be an interruption to electrical or HVAC services unexpectedly, please contact the Building Maintenance Supervisor's office at 410-859-7200.

Affected areas are Concourse D including DX and DY, Concourse D Chiller Plant, and Central Utility Plant.

The point of contact is Niqui Clark, Resident Engineer (Hill International) at 602-326-8880 (cell).
