BWI RESTROOM PROJECT Electrical Outage – Concourse C

As part of the ongoing BWI Restroom Project, Whiting-Turner will need to tie in new electrical circuits into existing panels at Concourse C. This work will require an electrical outage between 10:00 p.m. Thursday, August 24, 2023 and 4:00 a.m. Friday, August 25, 2023.

During the outage, electrical receptables, normal lighting, and emergency lighting on the upper and lower levels of Concourse C will be affected. The receptacles will be without power for two hours. Lighting will be affected for six hours. To ensure there is adequate lighting on the Concourse, emergency lighting will remain on when normal lighting is without power and normal lighting will remain on when emergency lighting is without power. No fire, safety, or security systems will be affected during the outage.

Point of contact during outage is Anthony Puhl (WT) at 410-913-7672.
Point of contact for questions is Oleg Miklush (JMT) at 248-320-2288.
